

**ASSOCIATE MEMBER AGREEMENT**

This agreement entered into on this day \_\_\_\_\_ between the Circuit Fitness Association (dba Curves Franchisee Association) and \_\_\_\_\_ allows the above named Associate Member to participate as an Associate Member of the CFA.

The participation arrangement is based upon the annual payment of \$1,000. This agreement will be in place from the time of its execution until \_\_\_\_\_.

The above named Associate Member is agreeing to promote specific products or services to the CFA Franchisee Membership. Those products/services are:

---

Profit Sharing agreements explain here:

---

---

Should the party named above want or desire to promote different products or services from those listed above, they must first submit a request to the CFA Associate Membership Committee Chair. After review, the CFA Board will decide whether these additions to the products or services listed above are appropriate. Should the Associate Member listed above choose to promote products or services not approved by the CFA Executive Board of Directors, this agreement will be null and void with no refunds available to the Associate Member.

In return for the fees submitted at the category of membership selected, the above named Associate Member will receive placement with link on the CFA web site, additional advertising can be arranged for an addition fee. The CFA will strive to provide these benefits to the best of its ability, but in cases where certain programs are in development, may not be able to. In this case, again there will be no refund of dues.

The CFA will do its best to communicate to the Franchisee Members the benefits of the Associate Members products and services, but is not required to release any lists to the Associate Member.
